In compliance with the Public Call for the award of scholarships for Croatian language learning in the Republic of Croatia for the academic year 2018/19, the Central State Office for Croats Abroad shall approve 170 scholarships for the academic year 2018/19.

The proposed score sheet of candidates for the award of scholarships for Croatian language learning in the Republic of Croatia for the academic year 2018/19, under point I., is carried out in accordance with the conditions and criteria stated in point 3. of the Public Call, i.e. on the basis of the total amount of points achieved by the candidate.

In the Public Call, which was duly open from May, 18th 2018 to June, 18th 2018, 381 applications were received in due time, of which 229 were successfully uploaded into the system.
